
We're glad you're here!

Welcome to the Historic Mountain View Hotel established in 1907, and re-established in 2000. Kathleen and Mike purchased the property in 2014, and re-opened the cafe. We thank you for choosing us!

We have been in the food and beverage business for over 35 years. In this time we have learned many things, two that we keep in the heart of our business. One, only offer your signature dishes, and two, treat your guest like friends.

We source as many of our offerings locally when possible, and we prepare all of our dishes from scratch. Mike assures you that whatever you choose, you will not be disappointed!

All of our coffee is roasted in-house. It only takes 10 minutes to custom roast fresh coffee for you.

Sit, relax, and enjoy the pace of our mountain town of Centennial, Wyoming.

Thank you from your hosts,
